**Dear Sir/Madam,**

I'm excited to be applying for a Web development at your Company. I am interest writing to apply for the position of Web development at Company. As a recent graduate and self-taught developer,    I am eager to begin my professional journey in web development. I have a solid understanding of HTML, CSS, JavaScript, and beginner experience with frontend frameworks such as React.

Although this would be my first official role, I have completed several personal and academic projects that reflect my passion for clean, responsive design and interactive user experiences. I am highly motivated to learn, grow, and contribute to a team where I can apply my skills while continuously improving.

Thank you for considering my application. I look forward to the opportunity to contribute and learn from your team.

Kind regards,

Chea Chanrathana
